

GROUP POWER SUPPLY

HYU-CC-APSDC10A09P

Key Features

- Stackable design, easy expand to unlimited channel
- High power output, DC 12V, 10Amp
- High amp output designed for 1 DVR + 8 cameras
- Adjustable output, from DC 11V To DC13.8V
- Build in safety features, prevent overload, over current and short circuit
- Best solution for budget and easy installation
- Build in 4 ways wall mount hole, wall mountable or use as desktop portable power
- Product size (L x W x H): 165 x 105 x 43mm

Specifications

Model	HYU-CC-APSDC10A09P	
Parameter		
Short Circuit Protection	surge protection	over load protection
Input Voltage	AC120V ~ AC240V	
Output Voltage	DC12V, 10A
